

LEONARDO GIULIANI

SINGER-SONGWRITER | GUITARIST | SOUTHAMPTON, UK | leonardogiuliani.com

Italian born, UK based singer, songwriter, and guitarist Leonardo Giuliani delivers raw, electrifying blues and soul rooted in real life and real stories. Audiences connect instantly. His live show is energetic, intimate, and built to fill rooms of any size.

Leo's second album, *Mosaics*, was recorded at Abbey Road Studios in London with a full ensemble of live session musicians and produced by Sage Anthony, Buddy Guy's longtime audio engineer and tour manager. 10 tracks captured in the same legendary rooms as the Beatles and Pink Floyd, mastered by Abbey Road's own Geoff Pesche. The album releases in 2026 with a full UK and European touring campaign behind it.

His debut, *Rogue* (2023), was produced by Grammy Award winner Tom Hambridge and features Robben Ford, Phil Palmer (Dire Straits, Tina Turner), and Mick Brill. It established Leo as one of the most compelling new voices in European blues and roots music.
